Aggarwal College Ballabgarh

Physics Association of Aggarwal College Ballabgarh organized an Industrial Visit for the students of Physics. The purpose of the visit is to make students familiar with the demand elements of industries in the present context. Sh. Ravinder Jain, HOD Physics has made all the arrangement of visit to Jai Bharat Maruti Industries Pvt. Ltd. Sector-24, Faridabad. A group of 30 final year students of B.Sc. NM, Computer Science and B.Sc. Physics (Hons) with Dr. Devender, Asstt. Professor in Physics visited JBM Industries Pvt. Ltd. on 07.02.2020. Mr. Abhinav and Mr. Sudhanshu from HR and Manufacturing branches describe the students about Automobile and Non-Automobile parts first through Powerpoint Presentation and then through the field visit of manufacturing plant. JBM Industries Pvt. Ltd. have a diversified portfolio to serve in the field of automobile, engineering design service and renewable energy. It has infrastructure of 35 manufacturing plants and four engineering and design centres across 18 locations globally. Five core values of JBM industries- integrated and ethics, ownership and commitment, respect and team work, customer trust and delight, safe and green. This type of industrial exposure adds a new dimension to the outlook of students. Overall visit to the manufacturing plant of JBM group is very fruitful in terms of exposure, outlook and experience.
