Principal Krishan Kant Gupta, International Girl Child Day was celebrated by Women Cell, Aggarwal College Ballabgarh on 11th Oct 2022. In 2011, UNO decided to celebrate this day to address the challenges girls face and to promote girls' empowerment. Principal Dr. Krishan Kant Gupta appreciated the efforts and highlighted the importance of celebrating this day. He stated that ending all forms of discrimination against women & girls is not only a basic human right but it also has a multiplier effect across all other development areas. He hailed women as 'Shakti' and encouraged them

to recognize their inner capabilities. In the beginning, Dr. Geeta Gupta Incharge Women cell briefed the purpose and motive to celebrate this day. She emphasised to bust the gender stereotypes and gender binary. She stressed on the change in the mindset of the society so that girls can live a safe, educated and healthy life. The day was celebrated in the presence of Prof. S.K. Chakarvarti, Ms. Kamal Tondon, Dr. Jay Pal Singh, Dr. Manoj Shukla and senior faculty members. Aggarwal College Ballabgarh keeps organizing such programs to spread awareness in the society.
