BALLABGARH: Department of Computer Science, Aggarwal College Ballabgarh on the fifth and final day of Five day Workshop (from 14 Nov-18 Nov 2022) themed on "Employment Prospects in Advance Computer and Animation Business" organized a talk on VFX effects and their growing popularity and how students can make a career in it. The workshop is organized in association with the "Maya Academy of Advanced Cinematics" popularly known as MAAC. The college keeps conducting such type of activities under the able guidance of Principal Dr. Krishan Kant Gupta. The session started with a welcome speech by Dr. Sachin Garg, Dean Department of Computer Science. Dr. Sanjeev Gupta (Incharge

Wing III) motivated the students about growing job prospects in the media industry. He also informed the students that the college has MoU with MAAC and MAAC will offer all possible help to students as regard jobs and placements in this sector. The stage was conducted by Dr. Pooja Gupta. Mr. Ankit Bhatia, Production Expert and Mr. Nikhil Kashyap, Assistant Faculty, MAAC were the keynote speakers in today's session. Mr. Ankit Bhatia told about media production in 3D

animation and various courses offered by MAAC. Movies and animations were very effective in this workshop to generate maximum interest and curiosity among the students. A total of 120 students benefitted from this workshop. The session was highly interactive and ended with a vote of thanks by Ms. Poonam Sharma. All the faculty members of the Computer Science Department including Ms. Shikha Arora, Ms. Parul, Ms. Nisha and Ms. Madhu attended the workshop.
