BALLABGARH: On 10-01-2023, under the joint auspices of 'Internal Complaints Committee and Women's Cell' and Aditi College (Delhi University), a workshop was organized for the academic and non-teaching department in a mix of virtual and physical form at Aggarwal College, Ballabgarh. The main theme of which was "Gender Sensitization and Prevention of Sexual Harassment at Workplace". With the good inspiration of Aggarwal College Principal Dr. Krishnakant Gupta, many programs are organized for students and lecturers in the college. The main objective of this workshop was to create awareness about sexual harassment at workplace through gender sensitization among men. Dr. Mamta Sharma (Principal, Aditi College, New Delhi) as special guest and Dr.

Namita Rajput (Shri Aurobindo College, New Delhi, Ministry of Women and Child Development, Posh Practitioner) as key-note speaker were present on this occasion. At the beginning of the program, College Principal Dr. Krishan Kant Gupta greeted the chief guest and everyone and

wished everyone a Happy World Hindi Day and said in the context of this workshop that gender sensitivity is a serious issue and cases of increasing sexual harassment at work places are increasing day by day. Types are increasing, for this it is necessary that women should be aware of their

rights. It is more important for the male class to be sensitive about this subject. It is important for thoughts to be beautiful. Welcoming all the guests, Internal Complaints Committee and Program Coordinator, Smt. Kamal Tandon threw light on the purpose of the workshop and highlighted the importance of such awareness programs, emphasizing on the safe and healthy environment in the college.
