

AGGARWAL COLLEGE CARRIED OUT HEALTH AND HYGIENE AWARENESS CAMP

BALLABGARH(TIT NEWS) : Volunteers of University Outreach Program of Agrawal college carried out health and hygiene awareness campaign in Chandawali village Today, on 26 May 2022, under the banner of University Outreach Program of Agrawal Mahavidyalaya Ballabgarh, under the direction of College Principal Dr. Krishnakant Gupta, village Chandawali adopted by the college A campaign was launched to create awareness among the general public on the topic of health and hygiene. The volunteers of the college, along with the University Outreach Program Coordinator Subhash Caloria, distributed germ control wipes to the people present in village Chandawali and told them how to use it. Villagers were informed to put the garbage of their houses in the dustbins. Recently, to avoid the increasing outbreak of dengue, a message was given to the general public to remove the water collected from their homes for a long time. Agarwal College organizes such awareness campaigns from time to time.
