**BALLABGARH :** A Seminar was organized by Indian Oil Corporation Ltd. R & D Centre, Faridabad on 'G20- A Global Cooperation Against Corruption' at Aggarwal College Ballabgarh. The event was organized under the able guidance of Principal Dr. Krishan Kant Gupta. The Resource Person of the event was Dr. G. S. Kapur, Ex-ED I/C (Chemical Technology and Technology promotion & forecasting) and Head New R&D Campus where he spoke about how Corruption effects Sustainable Economic Growth, prevents market competition and makes citizens question institutions. It also prevents prosperity and security of communities and countries. There is a need to promote transparent and inclusive society by encouraging adoption of anti-

corruption means for the benefit of all stakeholders. He also stated everyone should foster collective preparedness for future crisis or emergencies, promoting the active participation of individuals and groups outside the public sector, such as civil society, non-governmental organizations, community-based organizations and the private sector. Principal Dr. Krishan Kant Gupta cited that adoption of anti corruption means should be done at ground level so that communities

can be impacted deeply by such positive actions. The students were also made aware about the G20 Anti-Corruption Action Plan (2022-2024) which focuses on areas where the G20 can continue to lead by example and bring added value to global action. Mr. Vipul Sharma CM (Vigilance) gave Vote of Thanks. Various activities like Essay Writing and Poster Making competition were also conducted in the college premises to create awareness and interest among students.
