

## Report

Department of Chemistry, Aggarwal College, Ballabgarh has celebrated “World Ozone Day” on 16<sup>th</sup> September, 2023 under the able guidance of Principal, Dr. Krishan Kant. Two events “Slogan Writing” and “Logo Making” were being organized to create awareness about protection of the ozone layer among students. The event was started by a Skit performed by the students of M.Sc. Chemistry II yr. The Chief Guest of the event was Mrs. Kamal Tandon, who appreciated the efforts of students. The events were judged by Dr. K.L. Kaushik, Dr. Jay Pal Singh, and Dr. Sarika Kanjlia. Students participated and presented their ideas effectively. 60 participants participated in this competition. In the slogan writing competition, Navneet MSc Chemistry 1st year got the first position, Nisha MSc Chemistry 2nd year got the second position, Pooja MSc Chemistry 2nd year got the third position and Manshi MSc Chemistry 2nd year got the consolation prize. In the logo making competition, first position was won by Sagar Tiwari M.Sc Chemistry first year, second position was won by Payal B.Sc NM first year, third position was won by Rashmi Kumari (M.Sc Chemistry second year) and consolation prize was won by Pankaj B.Sc Chem Honors second year. Looking into the efforts and creative ideas poured into a poster on “Ozone Layer Depletion”, a special prize was awarded to Geetika (B.Sc. NM I yr).

It was a delightful programme. The event was a great success under the banner of Chemical Society. Dr. Priyanka Sehrawat, Dr. Archana Chauhan, and other faculties of Chemistry Department actively participated in organizing the event.
