The Department of Chemistry, Aggarwal College, Ballabgarh arranged an educational trip on “Indian Culture and Heritage” on **07th March, 2024** to Agra, Fatehpur Sikri, Vrindavan and Barsana under the able guidance of **Officiating Principal Dr. Sanjeev Kumar Gupta**. A group of 35 students of B. Sc. (Hons.) Chemistry and M. Sc. Chemistry went in this trip. **Dr. Priyanka Sehrawat, In-charge**, Department of Chemistry was the convener of this trip. Dr. Priyanka Sehrawat also motivated the students to actively participate in this trip so that they can enhance their knowledge about the cultural foundation of this country. **Honorable president Sh. Devender Kumar Gupta** stated that this kind of trip enhances the knowledge of the students about the ancient history of India. **Respected General Secretary Sh. Dinesh Gupta** also added that such trip is necessary to create a general awareness about the culture and heritage of our country among the students. Four teachers of chemistry department *viz.* Dr. Priyanka Sehrawat (Convener), Dr. Jyoti Yadav, Dr. Sapna Tyagi, Dr. Priyanka Kundu and lab attendants Sushil Kumar, Pramod Kumar accompanied the students for the safe and secured execution of the trip. The students learned a lot from this trip and their excitement and encouragement proved the success of this trip.
