

Guest Lecture by Department of Chemistry

A Guest lecture on “Photochemistry & its Applications” was organized on 5th February, 2024 by the Department of Chemistry at Wing I, Aggarwal College, Ballabgarh under the able guidance of Sh. Devender Gupta , President Governing Body, Aggarwal College Ballabgarh and Dr. Sanjeev Gupta, Officiating Principal. The lecture was delivered by Dr. Meenu Dua, Associate Prof., K.L. Mehta DN College for Women, Faridabad. The lecture started with a formal welcome by Dr. Meenu Aggarwal, Head, Department of Chemistry in which she introduced the Guest to the students. The purpose of this guest lecture was to make students aware about the immense importance of photochemistry, as it is the basis of photochemistry, vision & the formation of Vitamin D with sunlight. The Guest Speaker highlighted the fundamental principle relating to chemical reactions induced by light and its contributions in the chemical storage of solar energy, etc. 30 students of BSc NM attended the lecture in which they interacted very well with the speaker. The lecture ended with the Vote of Thanks given by Dr. Archana Chauhan.
