

Press Release

The **Chemistry Department** of **Aggarwal College Ballabgarh** organized a job fair on **10th April** 2024 under the able guidance of Honorable **President** Aggarwal college Ballabgarh, **Sh. Devender Kumar Gupta** and Officiating **Principal, Dr. Sanjeev Kumar Gupta**. A Faridabad based reputed Company “**UNIQUE AUTORUBBER UDYOG PVT. LTD.**” was invited to the fair. The company deals with Molding Rubber Components such as Rubber Gaskets, Rubber Grommets, Rubber O Rings, Rubber Valves, Silicone Rubber Products and many more. This job fair was for the **women** post graduate chemistry (M.Sc. Chemistry) students. Around 20 women candidates turned up for this fair of which 4 were selected. Honorable **President Sh. Devender Kumar Gupta** was very glad to see the active participation of the students and said that this kind of job fair will help the **women candidates** to become **self-reliant** which is necessary for the progress of the nation. The event was a huge success for the Department of Chemistry under the supervision of **In-charge, Department of Chemistry, Dr. Priyanka Sehrawat** who took a great initiative in bridging the gap between the employees and employers. Faculty of chemistry Department Dr. Jyoti Yadav, Dr. Priyanka Kundu, Dr. Sapna Tyagi, Mr. Chander Attri, Ms. Geeta Rathi and Ms. Manshi Tyagi along with Lab attendant Mr. Pramod Kumar & Mr. Sushil Kumar worked efficiently for the success of this event. Moreover, this will now be carried for the years to come.

Dr. Priyanka Sehrawat
