A job fair is an event in which employers, recruiters and college provide an opportunity to potential employers.

The Chemistry Department of Aggarwal College Ballabgarh organized a job fair on 06 April 2024 under the able guidance of President Aggarwal college Ballabgarh, Sh. Devender Kumar Gupta and Officiating Principal Dr. Sanjeev Kumar Gupta.

A Ballabgarh based reputed Company “**Star Wire**” dealing on steel products was invited to the fair. This job fair was for all Chemistry graduates and post graduates. Around 40 candidates turned up for this fair of which 10 were selected. The event was huge success for Department of Chemistry under the supervision of incharge Chemistry Department Dr. Priyanka Sherawat who took a great initiative in bridging the gap between the employees and employers. Faculty of chemistry Department Dr. Jyoti Yadav, Dr. Priyanka Kundu, Dr. Sapna Tyagi, Mr. Chander Attri, Ms. Geeta Rathi and Ms. Manshi Tyagi along with Lab attendant Mr. Pramod Kumar & Mr.Sushil Kumar worked efficiently for this event. Moreover, this will now be carried for the years to come.
