

PARENT-TEACHER MEETING

Aggarwal College Ballabgarh organised a Parent-Teacher meeting on 20th April 2024 under the guidance of President Mr Devender Gupta, General Secretary Mr Dinesh Gupta and under the supervision of Principal Dr. Sanjeev Gupta in the college premises. All the Heads of Departments of all the programmes along with the faculty were present to interact with the students and their guardians. Teachers discussed students' academic performance, including grades, attendance, and participation in classes. They also discussed areas where the student is excelling or where they may need extra support. In addition to academics, teachers also talked about students' behaviour in the classroom and how they interact with their peers and instructors. Information on upcoming college events, extracurricular activities, internships, and other opportunities for students were also shared. Parents provided feedback and provided suggestions about the college programmes and resources, or any concerns they might have about their ward's education. For students nearing graduation, teachers discussed plans for further education or career opportunities. This event was conducted under the convenorship of Dr. K. L. Kaushik.

Another event on Career Counselling and Scope of Courses was also organised under the convenorship of Dr Shilpa Goel. In his welcome address, Principal Dr Sanjeev Gupta exhorted the audience to take admission in the college where special benefits including best infrastructure, state of the art facilities, qualified staff and discounts in fees are provided. He further said that Aggarwal College is one of the best educational institutions in the state that lays emphasis on the overall development of students. A power point presentation on all the highlights of the College was shown to all the 12th class students of Aggarwal Public Schools along with their parents. Presentations were given by Ms Dolly Mangla, Ms Shalu and Ms Sonia. The audience was apprised about all the certificate courses being run in the college. Special emphasis was laid on CEEP Courses, Web Designing, Digital Marketing, Certificate Course on Spoken English, etc. in the presentation that enhance the employability skills of the students. They were also informed about the various co-curricular activities in the college to provide holistic development to the students. This event was conducted in two sessions.
