Workshop on "SAP-ABAP"

On 19th February, 2025 Aggarwal College Ballabgarh organized a Workshop on the topic **"SAP-ABAP"** for the students of BCA, B.Voc(SD) and MCA. Such workshop are organized regularly at Aggarwal College Ballabgarh under the able guidance of Chairman Sh. Devender Kumar Gupta, General Secretary Advocate Sh. Dinesh Gupta and Acting Principal Dr.Sanjeev kumar Gupta. The event was coordinated under the effective leadership of Dr. Sachin Garg, Incharge (Wing 1). In the beginning of the session Ms. Mohini Verma (HOD), Department of Computer Science & delivered the welcome speech for Mr. Rampal Dhiman from Unique ERP, Faridabad and was the resource person for the session.

Mr. Rampal Dhiman elaborated on the fact that, SAP (Systems, Applications, and Products in Data Processing) is a global leader in enterprise software and software-related services. SAP software helps organizations manage their business operations, including financials, human resources, sales, and customer service and ABAP (Advanced Business Application Programming) used for developing applications on the SAP platform. ABAP is a core component of the SAP platform, allowing developers to create custom applications and extensions.SAP provides a range of tools and frameworks for ABAP development, including the SAP NetWeaver platform, SAP GUI, and SAP HANA. ABAP is used to develop a wide range of SAP applications, including SAP ERP, SAP CRM, SAP SCM, and more and after that there was a guided session to build a basic "TO DO LIST" application for Hands on Project.

Sir focused on "Functions and Modules, Performance Optimization, SAP GUI, SAP Business Workflow. After that he focused on some Advanced Topics like: ABAP Web Services, ABAP Objects, SAP HANA, and SAP Fiori. The students put a lot of queries and the resource person explained each query in very simple and understandable language. Approximately 100 students participated in the session.
