Coming Events

Pick of the Issue

Dr. Krishan Kant, Principal
addressing the
International Galaxy of Scientists
at Kobe University, Japan

It's a great pleasure to know that we are bringing out the first edition of 'ACB Newsletter'. Aggarwal College Ballabgarh is progressing by leaps & bounds and we try to provide quality education to our students to make them better citizens of the world. I wish all the best to the team members of ACB Newsletter.

Rattan Singh Gupta
President- Chief Patron

I feel immense pride to announce the bringing out of the first issue of our quarterly 'ACB Newsletter' from the current session i.e. 2014-2015. It contains the activities that are being carried out by all the clubs, departments, fora and societies throughout the year. We also include the achievements of our students and faculty in various academic and co-curricular activities. At ACB, we strive to serve as local centre of information and learning and prove as gateway to national and global knowledge.

I hope our enthusiasm in highlighting the achievements of our students and staff through the 'Newsletter' is received with double the warmth and will motivate us to bring out the subsequent issues with more zeal.

Dr. Krishan Kant
Principal-Patron

We feel proud to bring out the first issue of our ACB Newsletter. An internationally renowned institution, committed to the cause of higher education and research, Aggarwal College Ballabgarh is always vibrant with multifarious academic and community service activities. We strongly believe that the 'ACB Newsletter' will serve as the Goodwill Ambassador in disseminating the significant achievements of the College across the nation. With the excellent academic and research calibre of the various faculty of the College, let's all strive to make 2014 a glorious year studded with momentous events and achievements.

Dr. Ram Chander
Editor-in-Chief
